

FOSSILI

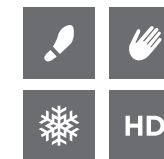

La soluzione più completa per l'esterno, progettata in tre formati, tre colori e due gradi di resistenza alla scivolosità per adattarsi ad ogni condizione di uso. L'aspetto estetico è quello della pietra tagliata a sega, con differenti granulosità e striature. La serie è utilizzabile con facilità in ambienti domestici e commerciali. The best solution for outdoor flooring. Three sizes, three colors and two different surfaces, reproducing the effect of a saw-cut stone, with different grain and streaks. This collection is suitable for domestic and commercial installations.

Per una posa ottimale si raccomanda l'utilizzo di distanziatori autolivellanti.
For an optimum installation we recommend the use of self-leveling spacers.
